If you drop your child off at the resort please look for the Snowstar table to check your child **in and out** of the event.

When all the members arrive we have designated areas for the members to meet up with instructors. All members are matched up with the appropriate level for their lessons. Beginners have 3 lesson times. Lesson times are on arrival, 12:30 and 2:15. Lesson levels will be posted for the times at the event. Lunch will be before the 12:30 lesson, make sure your child knows if you purchased a voucher for them for lunch. Someone is always at the Snowstar table to answer questions and help your child with anything they may need.
